Light From The Pastor's Study

We call January 1st "New Year's" day. For us Methodists in Florida, June 1st is "New Year's," for on this date a new Conference Year begins. From this date, June 1, 1961 to May 31, 1962, we have a full year of glorious opportunity.

The year just closed was one for all of us to remember. At the very beginning, we were involved in the building of a new church for the Tallahassee District. This church has been named the John Wesley Church.

The Rev. Danny Morris was assigned to serve as the first Pastor. Their first year has been one of steady growth. In fact, that growth has been truly phenomenal. Trinity has transferred scores of her members to the John Wesley Church, and naturally we are proud of their record.

In this year just closed, Trinity has moved rapidly with plans for the new church and chapel. Money is being raised as the plans are carried to completion. It is the dream for the year ahead to let the contract and begin work this coming fall and winter. Each one of us who make a building fund pledge, should endeavor to keep up to schedule on pledge

payments. Before we can start actual work, we must meet the goal set by our Board which is that we must have a minimum of \$275,000.00 on hand. That figure now stands in excess of \$230,000.00. We work together to make our dream come true.

Trinity has had a year to remember also in our Church School and in our MYF groups. Of course, we are not satisfied with our record, but we are proud of our average attendance, especially following the exodus of so many fine families to John Wesley. We shall work hard to go beyond any previous record in the year now opening.

Our church membership has held steady also, and we are sure that our Commission on Membership and Evangelism will give us strong leadership again this year.

It is the spirit of "Togetherness" and "Unity" that characterizes our Trinity Family. There may come periods of stress and disappointment but still we stand together, bear one another's burdens, and so, fulfill the Law of Christ.

Will you help your Pastor to make 1961-1962 the year of "Dreams Fulfilled" for Trinity Church?

Trinity's John Alexander won third award in the National Science Contest held recently. Congratulations!

Warren Anderson has been elected as treasurer of the Trinity Methodist Men's club.

DR. MARY WITT LEAVES FOR TWO-YEAR ASSIGNMENT

Dr. Mary Witt, one of Trinity's dedicated workers, will say farewell to Tallahassee friends this week and leave for a two-year assignment in South America.

Dr. Witt will direct teacher training in elementary education at Cali, Columbia, as part of the ICA program.

Her address for the next month will be: 1500 Massachusetts Ave., N.W., Washington 5, D.C.

SENIORS AT FSU STEP OUT INTO LIFE WELL PREPARED

As the academic year of 1960-1961 slides into home plate, students at F.S.U. bone up for exams, begin packing away their books and belongings, adjust their minds to the summer's work and bid farewell to the green and spacious beauty of Florida State Campus—most of them, until next Fall.

For those students who will not be back, for those who have completed four years of preparation in their field, departing is a time of mixed emotions. Seniors are proud, happy, perhaps relieved. But in the new life which awaits them are uncertainties, new relationships to form, new challenges to meet. A Senior asks himself, "Am I really prepared?" "Will I be equal to all the responsibilities I am about to assume?" "This means I'm on my own. It feels strange!"

As our 270 Methodist seniors take their diplomas and walk out into a multitude of occupations we, who stand at the door they have just left, turn again to our tasks at the University asking ourselves, "What have these students been able to find of God and of themselves here at the Wesley Foundation?"

In part, we find out at the Senior breakfast held every year on the last Sunday of May. Students use this time as a period of recalling all their college experiences and summing up the total effect as well as they can. It is an hour of sharing also their hopes and plans for the coming years. This brief senior celebration is a time for discussing the students' spiritual growth and the effect college has had on their church affiliation. Many seniors have given greatly to the work of the church on the campus. Their contributions are not easily forgotten.

Our associate director, Miss Jane Montgomery, has been given a Bishop Baker Graduate Award for advanced study in religion and higher education and will be going to seminary next Fall. This is a time for many goodbys. We are sorry to see Jane go but are happy that she has been honored with this award.
