CHURCH LOYALTY ATTENDANCE CAMPAIGN

There is mounting concern among Christians over the casual churchmanship displayed by so many church members. There is a great deal more to being a Christian than giving assent to the request to accept Christ and becoming a church member. Uniting with the church marks not the completion of one's responsibility as a Christian, but the beginning of a life of witnessing.

Your Commission on Membership and Evangelism is calling all Trinity Members to renounce casual churchmanship and to increase their intake of spiritual nourishment by faithfully supporting a Church Loyalty Attendance Campaign for the six week-period of November 4 through December 9. During these six weeks we are asking every member to be in church at least once each Sunday, and to faithfully attend the other organizations in the church to which he may belong. Attendance records will be kept and a study will be made of the attendance habits of our people. So please be sure to fill out an attendance registration card. Each organization is requested to contact every absent member and let them know they were missed.

As guidance and training are essential in developing maturity in human life, so, too, they are essential in developing mature church members. I hope you will not only be faithful to your vow to uphold your church by your attendance, but that you will come prepared to make the service an experience of meaningful worship. Meditate on the sermon topic, read the Scripture lesson, study the text ahead of time and you will discover the services taking on added significance for you. I will also appreciate your remembering your minister and the services in your prayers. See you in church every Sunday—not once, but twice.

Faithfully your Minister,
Melton Wore.

Sermon: "EXCLUDED FROM THE KINGDOM", The Pastor

Solo: Wolter Jones

"... the average Protestant church in the U. S. retains for local use 81 cents of every dollar it receives in contributions. It passes along 16 cents to home missions—including desperately needy inter-city churches—and to other domestic projects such as church colleges, hospitals, orphanages, and homes for the aged. It sends slightly less than 3¢ of each dollar overseas to help the struggling Christian churches of Asia, Africa, and Latin America."—from **Are Our Churches Too Self-Centered?**

ONE BIG QUESTION ? ? ?

Four thousand for my brand new car,
Five thousand for piece of sod,
Ten thousand I paid to begin a house—
A dollar I gave to God.

Yet there is one big question,
For the answer I still search—
"With things so bad in this old world,
What's holding back my Church?"

Just as our physical bodies require nourishment and care to insure their mere existence, so our spiritual bodies need to be nourished and tended to insure their continuance in the Christian life. The high mortality rate found in every church membership is distressing confirmation of the fact that all too often the minimum spiritual nourishment is lacking. This minimum spiritual nourishment is best supplied when we are faithful in attendance at Church and Sunday School, and when each day we hold our private devotions.

FEAR or FAITH

Bryce Harlow, one time assistant to President Eisenhower says, "I no longer run around demanding that America 'catch up' with Russia. If we did that, we'd have to rip up fourteen of every fifteen miles of our paved highways, and two of every three miles of railroads, sink eight of every nine ocean-going vessels, scrap nineteen out of every twenty cars and trucks, destroy fifty million T.V. sets, and nine out of every ten telephones, abandon three-fifths of our steel capacity, two-thirds of our petroleum and nine-tenths of our natural gas. We'd have to put sixty million of our people back on farms, which they could not own, and jam most of the remainder of us into city tenements holding six to twenty persons in each room."

It would appear that the "catch-up-with Russia" fans have become confused about which goal our team is driving toward. One wonders why we have become so filled with fear of Russia? Perhaps the answer is to be found in the area of our Spiritual life. Can it be that our growing materialism has joined with the failure of so many people to worship Almighty God faithfully each week in eroding our spiritual resources? America has no reason to fear any nation in terms of material wealth and ability. But no nation and no individual is any stronger than the faith by which they are sustained.

Let us join enthusiastically in a campaign to know and to deepen our faith. Then the Lord will become the strength of our lives and we will have no need to be afraid of anyone or anything. "Catch up" with Russia? What we need to do is "catch up" with Christ. Which goal is your team driving toward, fear or faith? The Faith team meets for practice every Sunday. Those wishing to "try-out" for the team will be welcome. I will hope to see you not once, but twice each Sunday.

MUSIC NOTE

Week after week our choirs continue to make a significant contribution to our worship services. Theirs is an act of dedicated service. Once a year it is right that this dedication should be renewed and recognized in our worship services. This is usually done in the Evening Service, but because our place of worship for the Evening Service is not large enough, the dedication service has been shifted to our worship services this morning.

Our First Quarterly Conference will be held in Trinity Hall on Tuesday, November 13, at 7:30 P.M., in Room 103. Dr. R. C. Holmes, our District Superintendent, will preside. All Quarterly Conference members should plan to be present. Our interested churchmen will be welcome. CHURCH ATTENDANCE

This is the second Sunday in our Church Loyalty Attendance Campaign. We are again asking you to register your presence at the 8:45 A.M., 11:15 A.M. and 7:30 P.M. services. The Commission on Membership and Evangelism is making a record of each members attendance and we will be sending special invitations to our non-attending members urging them to witness with their presence.

RICHARD G. MILK DAY

Next Sunday we will receive our gifts and pledges for the support of our missionary to Mexico. The goal is for \$5,000 in cash and pledges to be paid by May 1, 1963. This is certainly not too large a goal for a church like Trinity. However, if we are to be successful every member must have a worthy share. Some of us will need to make larger gifts (\$1,000, \$250, \$100, or \$50), and each of us will want to have some part in this challenging program. Think about it, pray about it and then come next Sunday with your special envelope ready.

YOU ARE NEEDED SOUTH OF THE BORDER

This is RICHARD G. MILK DAY at Trinity. Today we will dedicate our gifts and pledges for the support of the Milk Family. The Milks are serving as Agricultural Missionaries in the neighborhood of Durango in Mexico. Mexico is about one fourth the size of the United States and among Latin American countries is second in size to Brazil. It is a multitude of little worlds with local languages, customs, and dress. There are great modern cities and there are thousands of isolated mountain villages, whose people often do not know what lies beyond the next sierra. It is a strategic country in the American hemisphere. There are great physical and spiritual needs among the people. We rejoice that our missionary family has been assigned to this important area. It is Trinity's privilege to support them with our love, prayers and dollars. In order for us to reach our goal of \$5,000 your generous support is needed.

EVERY MEMBER VISITATION

Trinity is organizing for the most important Every Member Visitation in the history of our church. Mr. Spencer Burress has been elected General Chairman. Serving with him on the General Committee are the Minister, Mr. Frank Moor, Chairman of the Program Planning Committee, Mr. J. T. Kelley, Chairman of the Resources Evaluation Committee, Mr. Ernest Menendez, Chairman of the Visitation Committee, Mr. Griffith Pugh, Chairman of the Education Committee, Mr. Roy Berry, Chairman of the Materials Committee, Justice Campbell Thornol, Loy Leader, Dr. Emerson Tulley, Church School Superintendent, Mr. Wade Hopping, President of Methodist Men, Mrs. John Sewell, President of the W.S.C.S., and Lewis Poag, President of the M.Y.F.

MEXICAN METHODISM

Mexico, southern neighbor of the United States, has a Methodist Movement with more than 20,000 members, belonging to about 150 churches. Methodist missionary activities began in Mexico in 1871 and an autonomous Methodist Church of Mexico was formed in 1930. We now have 39 missionaries from the United States working in Mexican churches, schools, and social centers. In addition we now have an agricultural missionary whose energy, training and Christian dedication will be directed to helping rural folk improve their standard of living while discovering the significance of Christ for their lives. We pray that the ministry of the Richard G. Milks will be a real blessing to the Mexican people and we rejoice that the congregation of Trinity can have an important part in their ministry. Through our special contributions we can underwrite one-half the cost of maintaining the Milk family and contribute \$100 each month to their work fund. Your support is required if we are to reach this goal. You are called to have a worthy part in this witness to our faith.

DO YOUR CHRISTMAS THINKING EARLY

What happy thoughts—festooned with memories, rich with promise—are embraced in the three words, Thanksgiving until Christmas. These are the days of family festival, of open-hearted generosity, and communion with friends too long neglected. Although the pressures of preparation tend to obscure the splendor, and some of the world's most glorious music is cheapened by a cacophony of canned carols, and the secular intrudes upon our thought, we nevertheless are at our best, uplifted and heartened, in the spiritually luminous period of Thanksgiving to Christmas. We must protect and intensify the meaning and precious heritage of this period. This is possible by doing our Christmas thinking early, recalling, dwelling upon, and applying the significance of these special days.

(continued from front)

Thanksgiving renews awareness of our need for the Saviour. When we cease complaining about what we do not have and praise God for our manifold blessings, we then realize that "He hath not dealt with us after our sins; nor rewarded us according to our iniquities." Universal Bible Sunday (December 9th), reminds us to give thanks for God's gift of the written Word. This sacred period rushes forward, homes, churches, stores, offices are decorated with festive garlands; concerts are conducted whose glorious sacred music makes one feel it must have been composed in the very presence of God. Christmas Day comes, and people throughout the world kneel at the same manger—some in peril of their lives for such worship—remembering again that eternal and personal promise, "Unto you. . . o Saviour."

It is a tragedy that many in our time have never found—or have lost—the glory of the days between Thanksgiving and Christmas. This is why we suggest that you do your **Christmas Thinking Early**. Follow the Bible Reading Folder that was in your bulletin last Sunday, see that Christmas Eve will find **you prepared to joyously welcome the Saviour into your life**, and pray that all mankind will awake this Christmas to the realization of God's supreme Gift of His Son's birth.
