

TRINITY'S NEW CHURCH BUILDING

The contract has now been let for the erection of our new Sanctuary and Chapel to Albritton-Williams of Tallahassee for \$752,750.00. Contract has also been signed with the Austin Organ company for a new organ for the Sanctuary at \$56,000.00 and for the Chapel organ at \$7,125.00. We received credit from them for the old organ. When we add the cost of the furnishings and architectural fees, we will have an investment in the new building of a little more than one million dollars.

The building is to be of Colonial design. The front of the new church will have four large columns on a semi-circular portico. The spire is to be 140 feet above the main floor level and will have a cross at the top. The exterior of the building will be brick and stone. The roof will be covered with gray slate shingles. The entire building will be air conditioned.

As one enters from the front of the church into the Narthex (vestibule), he will find stairs on both sides, leading up to the balcony and

OUR PUBLICATIONS

In order for us to be literate Methodist churchmen we must do a minimal amount of reading. To provide for this need your church publishes two fine pieces of literature.

On the conference level there is the *Florida Methodist*. This is the promotional and publicity organ of our Florida conference. It is published twice each month and contains news of our individual churches as well as the conference program. The subscription price is two dollars for a year—twenty-four issues.

On the national level the very splendid magazine *Together* is published. *Together* has won many awards for the best religious publication being produced today, and is "must" reading for Methodist Christians. The regular subscription price is five dollars per year—twelve issues. However, a special fifteen month subscription is now available for six dollars and twenty-five cents. Beginning in October *Together* will present fifteen special issues covering two outstanding events.

ADVANCE SPECIAL— \$5,000.00 GOAL

Trinity Commission on Missions voted to strive for a goal of \$5,000.00 for The Richard Milk Fund. In previous years Trinity has raised \$3,800.00 (\$3,000-half support and two \$400.00 scholarships). Half support for a couple of the mission field is now \$3,900.00. This was the average cost during the last quadrium for base salary, medical expenses, education for missionaries' children, and transportation home every four years.

The Commission feels that Dr. Milk should be provided with a minimum \$100.00 monthly work fund as he strives to open a new mission station in Durango, Dgo, Mexico.

Apartado 214

Durango, Dgo., Mexico
August 15, 1962

Dear Friends,

Greetings from this picturesque capital city, four hundred years old, a mile and a fourth high, at the edge of Mexico's western mountain range!

After leaving Cuba 19 months ago, we were in Austin, Texas for several months. Then we helped Cuban refugees in Jamaica for nine months. In January we were transferred to the autonomous Mexican Methodist Church to begin a pioneer project of "rural work". After weeks of waiting for official permission to reside in Mexico, we left Austin on May 31st. We have been busy finding a house, furnishing it, accumulating (all over again) materials and equipment for extension activities, meeting governmental and church leaders in Durango, and visiting with community leaders of several rural churches.

Chapel Choir—(7th, 8th, 9th graders) 3:30 P.M. Fridays, Choir Room

Boys Choir—(4th, 5th, 6th graders) 5:45 P.M. Sundays, Room 304

Wesleyan Singers — (4th, 5th, 6th grade girls) 5:45 P.M. Sundays, Choir Room

Carol Choir I—(5 year olds and first graders) 2:45 P.M. Thursdays—Choir Room

Melody Choir II—(2nd, 3rd graders) 3:15 P.M. Thursdays—Choir Room

JR. HI MYF

Program plans for the Fall were voted on by members of the Junior High MYF. Those in charge of the following units selected were as follows: "Parables of Jesus" — David Kuncicky, October 7 and 14; "UNICEF" — Donna Albright, October 21 and 28; "Judaism and Christianity"—Margo Starnes, November 4, 11, and 18; "What Does It Matter?"—Becky Burruss and Sandy Corbett, November 25 and December 2; "Christmas 1962" — Candy Wright, December 9 and 16.

Each person chose a group to work in to help plan the programs, and these work groups will meet on Sunday evening, September 30th, in our Jr. Hi Church School Classrooms.

We also voted to assist with the Halloween UNICEF. Those who help will explain the work of UNICEF to their friends and collect funds on Halloween Night, then come to Trinity Hall for a party.

Barbara Causseaux, treasurer, has given several talks on the work of the MYFund and urged everyone to make a pledge and keep it up to date. She gave each person making a pledge a box of envelopes to use for the MYFund — our mission fund, which carries on work in hospitals, schools, social centers, and youth camps and conferences, around the world.

Jr. Hi MYF Reporter
Dee Ann Cordell,

CHOIR NEWS

A report on choir enrollment to date: (Active members only)

Chancel Choir	40
Altar Choir	26
Chapel Choir	22
Wesleyan Singers	24
Boys Choir	17
Melody Choir	14
Carol Choir	19

We are proud of our choir members, but we still want to concentrate on adding more to every choir. All groups will be having special responsibilities in the morning services this year. Please help us to find those who can and will sing with any of these groups.

One person showed up for the Choir Guild meeting, and we are especially grateful to her. Other help for the Choir Guild is being sought by "volunteer" telephone chairmen for each choir. If you are called upon, will you please give a little of your time? Just a little from each one adds up to a lot less work for someone!

FAMILY NIGHTS

Two family nights have been scheduled for the children and their families: Wednesday, October 24, for Primary and Junior Departments; Wednesday, November 7, for Nursery and Kindergarten Departments.

Both will begin with a covered-dish supper at 6:30 P.M. in Trinity Hall. Parents are asked to bring a meat and a dessert, vegetable, or salad.

Following the supper the parents will meet with the teachers to discuss the work planned for the age-group, and the children will be led in a time of recreation and fun.

In past years these times with the teachers and church school leaders have proved to be very beneficial to both the parents and the teachers.

DISTRICT WORKSHOPS

Dr. R. C. Holmes has scheduled a series of workshops for the Tallahassee District. Trinity folk will plan to attend the one to be held at St. Paul's on Sunday, November 18, from 3:00 P.M. through 4:30 P.M. The purpose of these workshops is to guide the Local Church Commissions in planning their work and in organizing more effectively. The chairmen and members of each of our Trinity Commissions should plan to attend.

HALLOWEEN FOR UNICEF

Trinity children (primary and junior) and junior high youth will again collect for UNICEF (United Nations Children's Fund) again on Halloween night. The children and youth will explain to their friends in their own neighborhood what the fund is for:

UNICEF fights hunger and malnutrition by supplying vitamins and powdered milk and by teaching parents what foods children need for normal growth and how to produce them locally. It helps establish clinics for mothers and children, educates mothers in hygiene and nutrition and trains nurses and midwives. UNICEF aids in disease control by supplying antibiotics, penicillin, BCG for mass vaccination and DDT for spraying against malaria.

In its 15 years of existence UNICEF has counted 134,000,000 persons vaccinated with BCG against tuberculosis; 31,000,00 treated for yaws; 11,000 treated for trachoma; 1,000,000 treated for leprosy; 66,000,000 protected from malaria with insecticides provided by UNICEF.

A charge against UNICEF has been that a large proportion of UNICEF goes to Communist Countries.

The Facts: Since 1951 only two Communist countries: (Yugo-slavia and Poland) have received aid from UNICEF. This allocation for the entire period since 1951 represents approximately 2.85 percent of the UNICEF allocations for that period.

Children and youth will be receiving materials and information concerning UNICEF, the parties, etc., during the coming month.

TRINITY'S NEW CHURCH BUILDING

Continued from Page 1

down to the Social Hall. The balcony will have a seating capacity of 158 persons. The floor of the vestibule will be covered with tile. A small desk will be attached to the wall in the vestibule which can be used by visitors wishing to leave their names and addresses. There will also be in the vestibule a Memorial Book, in which will be listed all memorials that have been given or which will be given in the future to Trinity. There will be a separate page in the book for each memorial, with a picture of the memorial and brief statement about the person for whom the memorial was given and the name of the person donating same.

The Nave will have 28 pews on each side of the center isle, seating capacity 716 persons. There will be seats for 75 in the choir. The choir loft will be divided on each side of a central altar, as in our old sanctuary. The total seating capacity of the new sanctuary, including balcony and choir, will be 949 with room for 100 additional persons with the use of chairs.

The floor of the sanctuary will be level. The area underneath the pews will be covered with asphalt tile. The isle and chancel floor will be covered with a moth proof wool carpet.

There are to be three large stained glass windows at the rear of the chancel on the north wall. These will cost about \$7,000.00 each and it is the hope of the church that they will be given as memorials or in honor of persons now living. These are not included in the general contract. There will be a number of other memorials available in both the sanctuary and chapel, such as the pulpit, lecturn, altar, cross, vases, candlesticks and pews. The cost of these range from \$175.00 to about \$4,000.00. Anyone interested in making a memorial or a gift in honor of some one is urged to contact our Pastor.

There will be five large clear glass windows on each side of the Nave. These will have plantation blinds to keep out the bright sun light.

The furnace and air-conditioning units are located in a basement two

floors below the chancel. There should be no noise from these.

The Social Hall and kitchen will cover the entire area beneath the Narthex, Nave and Chancel. The Social Hall is 95 x 38 feet and will seat 617 with chairs only or 432 at tables. This does not include the stage area which can be used for overflow. The kitchen will be at the south end beneath the Narthex. It is 27 x 29 feet with two storage rooms. The stage is at the north end directly beneath the chancel. It is 17 x 28 feet. The floor of the entire ground floor area will be covered with asphalt tile, except the kitchen which will have quarry tile on the floor.

The chapel will be at right angles to the sanctuary and will parallel Park Avenue. The entrance is at the west end. You will be able to enter both the chapel and sanctuary from Park Avenue without going up any steps. The chapel will seat 112. The floor underneath the pews will be covered with asphalt tile and the aisle and chancel floor will have carpet. The chapel organ is being given to the church as a memorial to Coyle E. Moore, Jr., by his parents. The chapel is connected with the sanctuary by a covered patio.

There are to be nine narrow stained glass windows in the east wall of the chapel. The estimated cost of each of these is \$700.00. These are not included in the building contract. It is the hope of the church that these will be given as memorials or in honor of persons now living.

The communion rail in the chapel will surround the altar. The cross will be suspended over the altar rather than resting on it. This is known as a free standing altar.

There are three clear glass windows in the south wall of the chapel.

At the rear of the chapel is the Ushers Room and directly across a hall is the Brides Room. There is also a small Sacristy for chapel use, cut off with folding doors from the Brides Room.

There are two large class rooms on the main floor on the east side of the

building. At the north end there are three offices, a sacristy and storage room. There are two toilets on the main floor, one in the minister's office and the other in the brides room, and six toilets on the ground floor.

On the ground floor beneath the chapel is the choir room, four choir robing rooms (two for children, one for ladies and one for men) and the Music Director's office. On the east side of the building is the Church Parlor 40 x 25 feet and this opens out on the garden terrace. There is a small kitchenette in connection with the parlor. There is a large class room adjoining the parlor. There are two storage rooms on the ground floor.

There is to be a beautiful garden terrace which may be entered from the Social Hall, Parlor or class room, and it is also near the kitchen. It is the hope that this will be used extensively for outdoor entertaining when the weather is good.

COYLE E. MOORE, JR. MEMORIAL ORGAN

The organ in our lovely new chapel is being given by Dr. and Mrs. Coyle E. Moore, Sr. as an Abiding Memorial to their son, Coyle E. Moore, Jr. The organ is being designed and specially built for our chapel by the Austin Organ Company. It will contain a total of 309 pipes, divided into four separate ranks with eighteen different stops. The console is of a special compact design and will be finished to match the chapel furniture. The organ is valued at \$12,000 but will be installed for \$7,100 because of its being purchased in conjunction with the layer church organ. This is, of course, a splendid memorial and we are grateful to Dr. and Mrs. Moore for establishing this Living Memorial to their son. Coyle E. Moore, Jr. was an outstanding young leader in our church and community. He is missed by all of us and the inspiration which the music of this organ brings into our lives will remind us of the inspiration of his life.

WOMAN'S SOCIETY IN FULL SWING AGAIN

After a most successful and rewarding September Luncheon Meeting, Mrs. F. E. Steinmeyer, Jr., program chairman for the Woman's Society of Trinity, announces that the October General Meeting will be held on Tuesday, October 2 starting at 10:30 A.M. in Trinity Hall.

This program, under the direction of Mrs. James D. Plant, will give impetus to the important program of The Week of Prayer and Self-Denial which is to be observed later this month. Assisting Mrs. Plant in the program are: Mrs. William J. Quinly; Mrs. Reid Nunn, Jr.; and Mrs. William O. Cullom.

Mrs. Tom I. Brown, Jr., Secretary of Spiritual Life for the Society, will present the devotion. Members of Circle 8, Mrs. James Barfield, chairman, are in charge of the hospitality period preceding the business session and program period.

Members are reminded that the Nursery will be open and available for those desiring to leave their young children under the care of our faithful church nursery worker, Mrs. Turner.

Mrs. John T. Sewell, President of the Woman's Society of Christian Service, reminds officers, committee chairmen and circle representatives that the Executive Committee Meeting of the Society is to be held in Trinity Chapel at 9:00 A.M. on Tuesday, October 2, 1962. This is intentionally scheduled prior to the General Meeting so that members will not have to be out of their homes two mornings but rather can attend two meetings on the same day. The nursery will be open for Executive Committee members who desire to make use of these facilities.

Advance Notice to Circle Members

Each year the women of Trinity's Woman's Society join with those throughout the world in the observance of World Community Day which is sponsored by the Church Women of Tallahassee and is scheduled for November 2, 1962 at 10:00 A.M. in the First Presbyterian Church of Tallahassee.

Plans Announced for Second Study for W.S.C.S. Members

In preparation for the world-wide observance of the Week of Prayer and Self-Denial, October 25 through October 31, women of Trinity's Woman's Society will have an opportunity to participate in a spiritual life study to be held October 22 through October 26, Monday through Friday in Trinity Hall. This was the announcement made by Mrs. Tom I. Brown, Jr., Spiritual Life Secretary for the Society in charge of this second study.

The text for the study is: *Dimensions of Prayer* by Douglas V. Steere. This is the book which was used at the School of Missions in Lakeland this past summer, and several of our women were privileged to attend the classes which used this stimulating presentation as its main text. Copies of the text will be made available through each circle. Be sure to get your name on the list of those desiring to read this treatise.

These five sessions are designed to lend emphasis to the Week of Prayer and Self-Denial. The first four sessions, Monday through Thursday, will begin at 10:00 A.M. and conclude at 11:00 A.M. On Friday, women are asked to bring one (1) sandwich and remain for a Sacrificial Meal and Prayer Altar Period which will follow the morning study session. Hours for Friday's study will be from 10:00 A.M. to 12:30 P.M. This will be a period of silence and dedication and should prove most meaningful to the women of our church and their friends. This is the time, ladies, to pause and reflect and renew our spiritual life. If you cannot attend all five sessions, attend those which you can.

Mention is made now of this important day because it is the time when women bring to the meetings those items which have been designated as necessary and needed by people in other lands less fortunate than we.

This year, circle chairmen will be asking their women to make sarongs.

SENIOR HIGH TRINITY TIDINGS REPORT

by Eric Sorensen

An interest finder was the chief interest at the M.Y.F. program of September ninth. This was a mimeographed form to be filled out by each senior high student. On it were various topics picked out by the council at retreat; the students checked those that they were most interested in.

The council has decided to strive to better adult-leader and student relations by inviting the adults to attend the regular council meetings once every month.

Programs have been decided up to the date of November 4th. On October 7th, which is World Communion Sunday, the program will be given by Jimmy Van Gasbeck, Lynn Stead, and Janie Aho. October 14th-21st, the program "Christians Work for Peace" will be presented by Sandra Roberts and Carol Bandlow. Kathy Blee and Bill Leap are doing the programs for October 28th and November 4th on "Where Was God?"

The Senior High Council would like to thank those students that have helped each week in placing envelopes in the back of hymnals used each week at church.

Surprisingly, this is a most simple request and can be made by anyone, even those without the use of a sewing machine. According to the leaflet circulated by the Church Women the instructions are:

"Sarongs should be 40 inches wide and ninety inches long, made of firm cotton and hemmed at each end."

Other needs are for blouses and sewing bags for the women of other lands. Full instructions will be given at your next circle meeting. Plan now to be a part of this great day. Last year, World Community Day brought in an offering of \$165,000, approximately \$12,000 more than in 1960. Yes, women all over the world are finding this as one of the best means to promote world peace. Trinity is proud to be a part of this great movement!

PUBLICATIONS

Continued from Page 1

The first series is on "Our Methodist Heritage" and will provide an illuminating history of great religious concepts which have influenced the Methodist movement. Articles give biographies of great Christian thinkers and how their theology gave direction to Methodist thought. Here, for the first time in magazine form, *Together* offers an historical account of the events leading up to the actual founding of Methodism and of the subsequent development. This series begins with the October issue.

The second series begins in January. This coming year, 1963, will be the 225th anniversary of John Wesley's heart warming experience at Aldersgate—the experience that led to the founding of Methodism. *Together* will celebrate Aldersgate Year in cooperation with the Board of Evangelism. Beginning in January there will be feature articles which seek to transfer the reality of John Wesley's Aldersgate experience to the reader.

These articles represent "must" reading for every Methodist. Fill out the blank below, attach your check, mail to Trinity Methodist Church, P. O. Box 1086, and we will enter your subscription at once.

ADVANCE SPECIAL

Continued from Page 1

In this semi-desert area, villages are far apart. A new law in May permits foreign residents to bring a car. We were counseled by a missionary co-worker in Mexico City to do so. Through gifts from a supporting church we purchased a Falcon station wagon the day before we left Austin. To our dismay we had to leave it at the border while the "permit" was requested from Mexico City. The law was so new that no one knew just how to act upon it! We have word that the permit is granted, and shall joyfully go to Nuevo Laredo for it.

The last of July it was Dick's privilege to attend the annual conference of the Border Conference at Monterrey. It was good to see the optimistic spirit that prevails in this fine group of workers. This conference extends across the entire southern border of the U.S.—some 1200 miles. The "Cooperating Committee" of the Conference approved our work budget for the coming year, largely travel, materials and equipment. This will answer the question of many of you about how to assist our work. Advance gifts may be designated for "Work Budget of Richard Milk in Mexico."

This summer finds our family scattered. Richard, a sophomore at Wooster College in Ohio, is working at a Y.M.C.A. Camp at Penn Yan, N.Y. Robert, a senior at Mt. Hermon, has been working in the Northfield assemblies in Mass. Carol, who is with us this summer, will soon be returning for her sophomore year at Northfield. Ann and Martha have completed a summer course in Spanish to prepare them for entry in a bi-lingual school here in September. Our old remodeled Spanish house, with patio in the center, deserves a letter by itself—but how about coming to see it?

We are grateful for the interest and concern of so many friends during our months of uncertainty and uprooting. We are grateful for your interest that has followed us into this new adventure and challenge. Our prayers continue to go up for Cuba, and the courageous Cuban workers there. Truly we all are co-workers with Christ in the universal task of bringing His peace and more abundant life to all the world.

Yours in Christ's service,
Juliet and Richard Milk
The Milks

Offering on November 18th

The first payment on the pledge for the Milk Family will be received the Sunday previous to Thanksgiving, November 18th, in the Church School and the Church Worship services.
