### "THE POWER OF HIS RESURRECTION"

*"... that I may know him and the power of his resurrection." Philipians 3:10*

Their experience of the presence of the Risen Christ in the lives of his earliest followers is the only possible explanation for the amazing generation of power which began the Church. This experience became their motive and their message. St. Paul was later to explain his conversion as an appearance to him, "as of one born out of due season," of the Risen Lord.

We generally think of the New Testament as a book of love, which it most certainly is. But it is also a book of power. This power was inherent in Jesus as person, become gloriously manifest in the Risen Savior, and descended upon the disciples in amazing effect on the Day of Pentecost.

The Apostle Paul is the best interpreter of this power, both as offered grace and personal experience. For him it is life's compelling dynamic, God's overcoming presence, the Spirit's essential genius, and the final dependence of frail humanity.

## PREACHING MISSION

April 13-18

Guest Preacher — The Reverend Gerald M. Burt

The flowers in the Sanctuary today are from the wedding of Miss Betsy McKinnon to Mr. Hayes Sholar on April 5, 1969.

### MEMORIAL BOOK FOR SUNDAY

This Sunday the Memorial Book in the Church Narthex, which contains the Memorials and Gifts given to the glory of God and in honor and in memory of loved ones and friends is open to the *Church Bible Stand* and the *Church Altar Bible*.

### BUDGET PLANS

Our Committee on Finance will soon send a letter to all of our members having pledges and bank orders, requesting their permission to carry these over into the new conference year, 1969-70. In cases where some change is desired, this will be made easily possible. We are assured of a near unanimous co-operation.

### CONFERENCE YEAR END APPROACHING

Only seven Sundays remain of our current Conference year. They will be busy weeks for us. The Charge Conference — formerly Quarterly Conference — is scheduled to meet on Tuesday, May 13, the regular meeting time of our Administrative Board.

### THE WORD ALIVE!

God speaks to us today! Young people seek to listen and to know what it means. Bible Study of *Acts* each Sunday for interested youth in the library from 5:30 to 6:00 P.M. Meets April 13.

### STRUGGLING RESUMES

Struggle Group — Friday breakfast for Middle and Senior Highs — continues this week, April 11th, discussing the school situations teenagers face.

### ANY SUGGESTIONS FOR COMMITTEE ON NOMINATIONS?

The Committee on Nominations will soon be considering persons for various positions of leadership. Suggestions from the membership will be welcomed.

### ACOLYTES

Our thanks to the following young men who served during March: Bobby Burress, Fincher Smith, Bryan Wright and Cary Moon.

Acolytes for April are: Tommy Brown and Ben Smith; Billy Peterson, Edwin Clowers, and Jimmy Cole.

### PREACHING MISSION

We are one of ninety Methodist Churches in our Country where thirty English Methodist preachers are conducting missions. Our preacher is the Rev. Gerald M. Burt of Southampton. The Rev. Mr. Burt is a graduate of both Oxford and Cambridge Universities, and is assigned to us on the basis of our reported needs.

### ATTENDANCE AT PREACHING MISSION

Attendance at our services will not just happen. Toward making it happen, we are asking 420 of our people, seventy for each of six evenings, to telephone enough people to "fill a pew." You may be one of these. Your cooperation will make for success.

### NEW DISCIPLINE AVAILABLE

The 1968 Discipline has been published and is now available at our church office. Cost, \$2.75 each.

### MEMBERSHIP SUNDAY

Our next Membership Sunday is April 27th. We already have a number of persons listed. If you are interested, please let us know as soon as possible.

### INTRODUCING OUR GUEST PREACHER

We welcome to our pulpit today the Reverend Gerald M. Burt, English Methodist Minister, presently stationed in Southampton, England. He is one of thirty English Methodist ministers who are in our country for three preaching missions each, beginning this Sunday and scattered throughout the country.

The Reverend Mr. Burt is a graduate of Oxford University and a theological graduate of Cambridge. He has served several pastorates in his country, and has served as Methodist Chaplain at Hull University and presently, in addition to his regular pastorate, serves in this role at Southampton University. He has been especially interested in Christian missions, in education, and in the renewal of the Church toward adequacy for its tasks in the contemporary world.

Our Preaching Mission, with Rev. Burt will continue each evening of the week through Friday at 7:30 P.M. We anticipate a friendly hospitality to him from our people and a good hearing at all the services.

### "THE WAITING KINGDOM"

*"Thy Kingdom come."* Matthew 6:10

It has been so long a time since the Prophet Isaiah dreamed and spoke of a day when men would "beat their swords into plowshares and their spears into pruning hooks." Was it an idle fancy only? Was God letting one of his men taunt and tease us? It has been so long a time since Amos promised that "justice would roll down like waters and righteousness as a mighty stream." Was he really God's man, to whom we must listen, or just another deluded fanatic?

It has been twenty long centuries since Jesus announced the presence of the Kingdom of God. Where is it? How many billions of times the faithful have petitioned God, "Thy Kingdom come." No wonder we cry out, "How long, O Lord, how long?"

The Kingdom waits! Is its delay to be accounted for as the result of some inscrutable divine providence? Or is it due to men's hesitancy? Do we really want this kingdom? Are we perhaps really afraid of it?

All the good religious people of Jesus' day, Pharisees and Sadducees and others, seemed to believe in a promised kingdom and preached about it. But they seem to have accommodated themselves to its indefinite delay, and were all settled down and comfortable. So it was that when Jesus came along and said that kingdom was already here, they took him out and crucified him. How long, O Lord, how long?

O God, who hast wrought a mighty victory for thy kingdom in Jesus Christ and his resurrection, look upon us, we humbly pray, and hear our confessions. Though thou art victorious, we too quickly accept defeat. Though the boundaries of thy kingdom are great, our vision is limited. Though thy spirit probes the depth of our lives, we resist even self understanding. Hold us in thy care, we beseech thee, and ever keep us in thy mercy; through Jesus Christ our Lord. Amen.

Twenty-nine think it needs up-grading and only five think it should be discarded. One change from former years is that 108 believe that tenure should be unlimited, while only nine think that we should return to the old-time absolute limit of four years. Forty-one would prefer a reasonable limit, such as eight years.

### "MEANING, MOTIVE, MISSION"

Our wants and our needs do not always coincide, but it does appear that the deeper down we go in our real selves, the more coincidence between needs and wants there is.

Man's greatest quest seems to be for some sense of meaning to life, out of which one can get a feeling of personal worth. Some speak of a meaning system as a philosophy of life; Christians think more in terms of faith, which is more than philosophy or belief. It is indeed the response of the whole person to God's offer of love and grace.

Meaning such as this reaches deep inside us where the springs of motive are and comes to be a dynamic determinant of life's greater purposes and commitments.

So we move from meaning to motive and then to mission, or some form of open commitment of life and service. Dag Hammarskjöld saw it well in this *Markings*:

"I don't know who — or what — put the question. I don't know when it was put. I don't even remember answering. But at that moment I did answer *Yes to Someone — or Something* — and from that hour I was certain that existence is meaningful and that, therefore, my life, in self-surrender, had a goal."

O God, whose mercy toward us is far beyond our deserving or understanding, look upon us now, we pray, and in that so great mercy hear our confessions. We have known the right far more than we have been willing to do it. We have promised more with our words than we have performed with our deeds. Our consciences have prompted us, but have grown dull by our delay in obedience. Receive us, we beseech thee, forgiving, restoring, strengthening; through Jesus Christ our Lord. Amen.
