## TRINITY'S HISTORY

Trinity had its official beginning in Tallahassee in 1824. Josiah Evans, the first of sixty eight pastors known to have served Trinity, was one of the strong band of Methodist Circuit Riders, who were among the first Protestants to cross the borders into Florida after its transfer from Catholic Spain to the United States in 1821.

By 1837, the Methodists of Tallahassee owned the land where Trinity United Methodist Church now stands. It was here, on January 6, 1845, just before admission of the new State to the Union, that the first Florida Conference was convened. At that time Tallahassee was a town of about 2,000. The membership of Trinity has grown with the growth of the city across the years, with the present membership of over 2,600.

The first service in our present sanctuary was in May, 1964. This is the third sanctuary building.

Through the years thousands have found a place of worship in Trinity—there have been hundreds of weddings, baptisms of babies, children and adults, as well as other Christian services which have touched the lives of the people of Tallahassee. And the people of Trinity have sought to be the Body of Christ in the world.

Trinity, with a membership upholding the Church by their prayers, their presence, their gifts, and their service, will, by the grace of God, continue to make its witness to those who are a part of its fellowship, and by that fellowship in the world.
