No. 30

STARTING TODAY  
THREE MORNING WORSHIP SERVICES  
8:30            9:45            11:00  
All Three Services in the Sanctuary

WHAT DO METHODISTS BELIEVE? I've heard some Methodists say, "People in other denominations seem to know what they believe; but I don't know what I believe."

This sort of complaint says to me, "Preacher, you've got a job to do. People in the church ought to be able to know what they believe. Also, they should be able to explain to others what they believe and why they believe what they believe."

There are several ways of dealing with a "belief-deficiency" in a congregation. For several weeks I have been working closely with Bible study groups. A concentrated study of Scripture provides a foundation for understanding Christian belief. This Bible Study, which was interrupted over the Christmas holidays, will resume tomorrow. Time schedules for six groups are listed in the church calendar on the back of this bulletin.

THEN BEGINNING TODAY (Sunday, January 7) I AM STARTING A SERIES OF SERMONS ON CHRISTIAN BELIEF. For several Sundays I will talk about our belief in God. Then I will spend other messages dealing with Jesus Christ, the Holy Spirit, conversion, consecration, salvation, witnessing, death and what lies beyond, prayer, the church, and other aspects of Christian believing. I will do my best to make these messages interesting, informative, relevant to daily life in today's world, and true to the Gospel.

### NEW STAFF MEMBER WELCOMED

We are pleased to welcome to the Church Staff, Mrs. Helen Price, our new food services coordinator, effective January 1.

Mrs. Price, who is a long-time Methodist, comes to us from St. Augustine, Florida, and has had experience in quantity meal planning. She will be working on a part-time basis as needed by the Church program.

### DISASTER RELIEF

All of us have been shocked by the scenes of death and suffering along with the immense property losses resulting from the recent EARTHQUAKE IN NICARAGUA. 5000 killed; more than 15,000 injured; many thousands left homeless, starving, subject to disease.

THE UNITED METHODIST FOR RELIEF has teams of workers on the scene cooperating with other agencies. Mission hospitals in Central and South America are being used to care for the injured. Our stock piles of medicine, clothing, and food are being used now and must be replaced later.

NEXT SUNDAY, JANUARY 14, Envelopes will be put in the Tidings and you may use these for your gifts to help in this disaster, or you may simply make out checks to TRINITY for use in DISASTER RELIEF. The money received will be sent off right away.

### NOTICE TO TRINITY YOUTH

The Ark will be closed for the month of January. During this period we hope to be able to develop a new "look" for the "Ark" and to be able to have a new program that will serve the needs of all the youth in this area. Help us with your ideas, your prayers, and your continued interest in the "Ark."

Steven J. Keating,  
Youth Coordinator

No. 31

OUR NEW 9:45 WORSHIP SERVICE MORE THAN I EXPECTED! That may be an indication that my faith was too small. Someone suggested the beatitude: "Blessed is he who expects little from life for he shall not be disappointed." Nevertheless, I was pleasantly shocked during our first 9:45 worship service. I would have been pleased with a beginning attendance of 25 or 30 people. Instead I learned there were NINETY-SIX people there. And the total Sunday morning attendance surpassed even our peak Christmas attendance.

## ACT OF CELEBRATION

We are here to celebrate. What are we here to celebrate? A new birth in our midst. A new organization has come into being here at Trinity United Methodist Church — and in other United Methodist Churches everywhere.

Why should we celebrate the birth of a new organization? Organizations are means to ends. Organizations are structures designed to enable functions to be fulfilled. This new organization we celebrate is of United Methodist Women, for United Methodist Women, by the grace of God, to serve the world.

It is a new organization. It is an organism. For it lives and moves and has being.

We understand that life comes from life. What is the genealogy of this new organism? It has come from an organization of women known as the Women's Society of Christian Service. It has come from an organization of women known as the Wesleyan Service Guild. And it has come from women who have belonged to no organization previously, but who have committed themselves now to the purpose and cause of the United Methodist Women.

What is that purpose and cause to which these women are committed?

(HERE ALL MEMBERS OF THE UNITED METHODIST WOMEN PRESENT IN THE 11:00 O'CLOCK CONGREGATION WILL STAND AND STATE THE PURPOSE AS FOLLOWS:)

The organized unit of UNITED METHODIST WOMEN shall be a community of women whose PURPOSE is to know God and to experience freedom as whole persons through Jesus Christ, to develop a creative, supportive fellowship; and to expand concepts of mission through participation in the global ministries of the Church. (Article 3 of the Constitution)

(HERE THE WHOLE CONGREGATION JOINS THE WOMEN DECLARING:)

WE REJOICE WITH YOU IN YOUR NEW ORGANIZATION AND PRAY GOD'S BLESSINGS UPON YOU. AMEN.

# The Tidings of Trinity United Methodist Church

Post Office Box 1086 Park Avenue and Duval Street Tallahassee, Florida 32302

Vol. 10

Sunday January 21, 1973

No. 32

I BELIEVE IN SUNSHINE! YOU are the church; therefore the business of the church is your business. (I have always welcomed members of the church to board, commission, and committee meetings whether they were members of those particular groups or not.) This is my first opportunity to start a new year with you. So I am going to do my best to inform you at this time of the business of Trinity Church.

Enclosed in this week's Tidings is a copy of the budget for 1973. You will see two columns of figures. One is headed "PROPOSED" budget, while the other is headed "REVISED." The proposed budget was the one we started out with last October at the start of our stewardship campaign. That budget of \$234,000 represented the amount of money needed to fulfill the program of the church as outlined by all of the groups responsible for programming here at Trinity.

Then after our stewardship campaign had ended, our Finance Committee met and totaled the pledges received, amounts expected from unpledged regular givers, and amounts expected from "loose" offerings and all other sources. Their suggested total was \$205,000.

Then our Council on Ministries met. This council is composed of people from all of the various program areas and committees of Trinity. They went through the agonizing ordeal of cutting back their programs to meet the expected income for 1973.

This revised program-budget was approved by the Administrative Board of the church.

As the giving level of Trinity Church rises, the Finance Committee, Council on Ministries, and Administrative Board will be enabled to replace or expand parts of the program that have been reduced.

WHERE DID WE FINALLY END UP FINANCIALLY IN 1972? We receive large sums of money at the end of the year. This means that at the end of the year there is a sizeable "carry-over." At the end of 1971 we carried into 1972 \$14,065.33. During 1972 we received a total of \$204,917.59. Added to the carry-over from 1971 this gave us a total of \$218,983.42. We actually spent in 1972 a total of \$206,583.51 (including over \$13,000 spent in painting the church).

THIS HAS RESULTED IN A CARRY-OVER FROM 1972 OF \$12,399.91.

During the first two weeks in January, 1973, we have received a total of \$17,646.62. This added to the carry-over from 1972 gives us a total of \$30,046.53 on hand right now.

We will need \$3,942.00 weekly for 52 weeks to make the budget for 1973. It is obvious from the above figures that we have gotten a running start. But, in the light of past history we know we have to go into the summer with a surplus because summer tends to be a bit arid in terms of income.

It is too soon yet to ascertain what the 9:45 service will mean to the Trinity Church picture. But already our Sunday School is showing an increase, as well as our total Sunday morning worship participation. I feel that this is an indication of the trend for the future of our church. We are trying to provide a schedule and program that will meet the needs of a wide range of Trinity members and friends, as well as make an appeal to people in the Tallahassee community.

No. 33

TO BE THE CHURCH IS TO BE ENGAGED IN MISSION. At first thought that word "mission" means exotic places far away, strange peoples, alien tongues. To be in mission involves sharing the Gospel with the far away peoples of other lands. But the missionary task of every congregation is always local too. "Go ye into all the world" includes the world immediately around us as well as the world far away.

In fact we might be approaching a fundamental truth to say that those who actively become involved in the *local community* witnessing in action to the truth of what God has done in Christ, are the very ones who have the dynamic to be effective in *world missions*. I don't see how a church can, without hypocrisy, do in a foreign land what it is unwilling to do at home.

LAST SUNDAY NIGHT A FEW OF US WERE GIVEN A GLIMPSE OF SOME OF THE AREAS OF HUMAN NEED IN TALLAHASSEE AND LEON COUNTY WHERE ALREADY WE ARE INVOLVED. Also we were given an opportunity to see other areas where needs are vividly real and where we are being called to service.

I wish there were some way I could make the words on this front page of Tidings leap up with sound and picture to enable each of you to get some of the "feel" that we got last Sunday night. For example, I wish you could sense the Call of God to be with Him in service to people as I sensed that Call last Sunday night as the Rev. Ames Swartsfager, Chaplain at the Federal Correctional Institution, and Sister Maureen Fenlow, Director of the Terrell House, described a program recently initiated to provide counseling and help for the wives of prisoners.

We also were given a description of the philosophy and program of the Interfaith Day Care Center by the Director, Mrs. Rose Washington. We are involved in that program.

Meals on Wheels, a new program initiated here in Tallahassee to provide meals carried into the homes of aged and sick, was described by Mrs. Rochelle Davis and Mrs. Margaret Lynn.

And Mrs. Wayne Schroeder who is the coordinator of social concerns activities of Trinity United Methodist Women outlined areas where our church already is involved and listed names and telephone numbers of persons to call if you would like to serve:

Cupcakes for Interfaith Day Care Center — Helen Anderson — 576-1813.  
Transportation:

For Day Care Center children (dentist, etc.) — Delano Fenn — 385-6242.

For Senior Citizens (shopping, church, etc.) — Sue Schroeder — 576-1347.

International Students — Eleanor Hale — 576-1097.

Sewing layettes — Lavinia Short — 576-1537.

Sewing lessons at Concord School — Mae Hamilton — 385-7406.

Visiting Shut-ins — Rubie Butterworth — 385-7406.

Meals on Wheels — Lavinia Short or Sue Schroeder.
