**WHERE DOES ALL THE MONEY GO** — the money that we give in the special **WORLD COMMUNION** offering to be received **TODAY, OCTOBER 7, 1973?** (Special envelopes are being provided for you to use during the worship service — or you may mail a check for this purpose to the church office.)

1. **UNITED METHODIST CHAPLAINS.** Chaplains in the military service, serving in hospitals, working in prisons, are making their witness to Jesus Christ in special ways.
2. **STUDENTS.** Part of this money will be used to provide scholarships to American Indians, Blacks, and other young people from minority groups. The schools offering these scholarships require students who receive help to maintain a high grade average, have a recommendation from their local church, and be willing to work part-time at some campus job.
3. **MORE STUDENTS.** Part of this money will go to Christian young men and women from other countries who are studying in this country.

By the way, the Commission on Missions here at Trinity is developing a program in cooperation with the Department of Education for Special Needs at Florida State University for enabling students from other countries to come to Tallahassee for training in rehabilitative sciences. We are planning a special program on this for a Sunday night later this month.

## BITS AND PIECES

WHEN YOU REACH YOUR HUNDRED AND FIFTIETH BIRTHDAY, YOU CAN CELEBRATE FOR A WHOLE YEAR. Next year we will do that. 1974 will be TRINITY'S 150th Anniversary. MRS. LOUIS HILL and MR. PALMER WILLIAMS are Co-Chairpersons of the Trinity Sesquicentennial Steering Committee. Already plans are being made for a great year. Got any suggestions? Let us know.

SMILE. YOU'RE ON CANDID CAMERA. If you see Gene Morse taking pictures during meetings, worship services, study sessions, or any other activity around the church, don't be surprised. He is in charge of public relations for next year's celebration. One project he is working on is for a slide picture story of Trinity's present and past. In addition to current life, he is looking for pictures out of Trinity's past which we will photograph and put on slides.

IS YOUR CLOTHING FASHIONABLE — FOR 1824? Next April, we plan to have a Quarterly Conference like Trinity might have had back 150 years ago, with presiding elders and the bishop. Mrs. David Avant is in charge of costumes for that event and others where we'll be dressed in style.

WE ARE PLANNING THREE SPECIAL EVENING WORSHIP SERVICES FOR THIS MONTH:

TONIGHT — SINGSPIRATION. COME TO THE MAIN SANCTUARY READY TO TELL US YOUR FAVORITE HYMN. We'll sing it.

NEXT SUNDAY NIGHT COME TO THE FELLOWSHIP HALL AT 6:30 for a Covered Dish Dinner to be followed by a special presentation by Dr. Kim Sykes, Director of Education for Special Needs at Florida State University and Mr. Richard Ezenwukwa from Nigeria. Richard is working on his Master's Degree in rehabilitative science at Florida State and will be setting up a rehabilitation program in East Central Nigeria (Biafra). Trinity is providing him with a scholarship through the Florida State University Foundation.

THE LAST SUNDAY NIGHT IN OCTOBER WE WILL DO SOMETHING MANY OF YOU HAVE BEEN ASKING FOR: We will present a program on the TRINITY CHAPEL WINDOWS. John Crotty has made a complete slide picture presentation on the windows. Walt James is working on some music. And between now and that night we all can read the 148th Psalm which is the basis for the Chapel windows.

No. 19

"TRUTH IN LENDING" is a legal requirement for the banks in Florida.  
"TRUTH IN REPORTING" is the ethical requirement for the Tidings of Trinity.

WE HAVE BEEN REPORTING A SURPLUS in our financial statement.  
"SURPLUS" is not a good word here for two reasons:

(1) The surplus figure is the amount of money received OVER THE BUDGET THAT WAS ADOPTED FOR 1973. That budget is one which necessitated chopping out some people and programs that are vital to Trinity Church's ministry. For example we have been operating for a year and a half without a Director of Christian Education which has of course added to the load and cut down the effectiveness of the two ministers on our staff (Norman and Brown).

(2) The surplus figure is the amount of money received over the budget that was adopted for 1973. But EMERGENCIES, INFLATION, AND EXIGENCIES OF PROGRAM have blown big holes in that budget.

I am using extra space in this week's Tidings to give you a report in some detail of some of these expenditures so that you will have a clear picture of what I am talking about here.

For example, I am sure that all of us recall that we had a breakdown in our air-conditioning equipment in July and August. This involved among other things a compressor which has been in operation since about 1947. That one "item" cost us over \$5,700. We have spent a total of \$7,200 on air-conditioning maintenance and repairs so far in 1973.

Some of the pipes in the older parts of our buildings have let us know that they require attention to the tune of \$500 in plumbing bills we have had to pay.

Electrical repairs have amounted to \$550.

Continuing the painting and improvements of our buildings which was begun last year, we have spent over \$3,000 painting classrooms, hallways, rest rooms, base boards, a new roof on the Edwards Street parsonage, repairs to the parking lot, and general building upkeep.

There has been an increase in the cost of utilities amounting to about \$300 per month.

Inflation also has been reflected in higher costs for all paper supplies, an increase in the cost of printing our bulletin, and janitorial supplies.

I am writing this Tidings with a feeling of great appreciation for the fact that you have been giving over and above the amount that we had expected for this year. This has made it possible for us to do the things we have had to do and yet pay all of our bills and meet all of our obligations on schedule.

## **YOU ASKED FOR IT SO— YOU'RE GOING TO GET IT— A NEW LOOK AT THE CHAPEL WINDOWS TONIGHT!**

Come to the Glenn James Memorial Chapel tonight around 7:30. The lights will be on to give you a chance to stand or sit and look.

Then—at 7:45—COME INTO THE MAIN SANCTUARY ready to take part in an EXPERIENCE OF THE CHAPEL WINDOWS.

John Crotty has photographed the windows “in living color.” And he will project these pictures on a huge screen (14 feet by 14 feet).

While the pictures are being projected, there will be provided in stereo sound a reproduction of an attempt by over thirty members of Trinity to interpret the Chapel windows in word and music. (Walt James guided us in an experience last Sunday afternoon in an interpretation of the windows which was fun, exciting, and inspirational. The process was recorded and will provide the sound track for tonight’s pictures.)

The Chapel windows and tonight’s worship experience is all based upon the 148th Psalm.

*Ed Norman*

### \*CHANCEL CHOIR ANTHEM

Church music comes in many different packages. There is the gospel hymn package, the Baroque package, the Romantic package, and many others. Dr. John Boda's anthem, being sung at the 11:00 worship service, constitutes a new and different package. Combined in his setting of a familiar Biblical text is the traditional choir and organ along with less traditional harmonies and a tape made by the Moog Synthesizer. This electronic instrument is being experimented with by many contemporary composers, incorporating it into their music in many different ways, developing new and strange sounds.

### TRINITY'S YOUTH COLLECT FOR UNICEF
