TRINITY UNITED METHODIST CHURCH

"HEALING HURTING HEARTS"

2006-2007

Rev. John G. Willis, Jr.
Senior Pastor

DEAR MEMBERS,

During this time in the life of our church, we are focusing on the theme "Healing Hurting Hearts." Several of the activities featured in this directory reflect some of the ways we are working to do this.

This is all part of what it means for us in the early part of this century to be "The Church with a Heart for the City."

We hope you find this directory to be helpful.

A handwritten signature in black ink that reads "John". The signature is written in a cursive, flowing style.

Children an

The curriculum Trinity uses for children's Sunday School called "Live B.I.G.", a scripture based curriculum, is designed for each age level and includes age appropriate activities created to meet the various learning styles of children. Children are given the opportunity to learn through story, drama, games, class discussion, music and crafts. Musically, Trinity truly has a world of fun in the children's choir ministry. In this ministry, the children have an opportunity to sing some fun songs and enjoy activities that compliment their music. Music theory is also taught which gives a strong background for future involvement in the church's music ministry. Each of the children's groups are given opportunities to participate in singing during worship.

and Preschool

The Trinity pre-school experience begins at 3 months of age! Our babies receive all the love and care for a successful transition from home to school. With the toddlers, movement, exploration, and enthusiasm are the focus. Fun times are found in the classroom and on the playground. For the two-year-olds, the focus shifts to the child's social environment and interactions with one another. Many new experiences occur with art and activities. The three-year-olds continue to develop their skills and classes provide opportunities for fine motor skills, name and letter recognition, and working together. When they reach pre-kindergarten class, all of the skills and foundations come together. The main focus of these classes is to prepare for Kindergarten!

Youth

Trinity's United Methodist Youth Fellowship (UMYF) is a very active group that is for all youth in grades 6-12. There are Sunday School classes for both the Mid-High and High School groups at 9:45 a.m. in the youth area. Sunday afternoon youth activities include Youth Handbells and Youth Choir. UMYF is from 6:00-8:00 p.m. and includes dinner, praise and worship, games, and Bible study. Bible study time is separate for the Mid-High and High School groups. Each spring, Trinity's ministers lead all interested youth through a time of preparation for membership called Confirmation. They learn what it means to "confirm" their baptism by studying Scripture, church history, and the principles of Methodism.

After school on Wednesdays, a study hall is available followed by a church-wide fellowship dinner at 5:30 p.m. There are separate Bible studies available for Mid-High students from 4:30-5:30 p.m. and High School students from 6:30-7:30 p.m. The youth also gather for fellowship and service activities throughout the year. There are mission trip opportunities available annually for both Middle School and High School students. Members of the Youth group also participate as group leaders for Vacation Bible School and have the opportunity to go to Leesburg Camp each summer. Youth Sunday is an annual worship service that is presented by the youth.

Adults

At Trinity, there are opportunities for people of all ages and life stages to become involved in the life of the church through fellowship, outreach, and continuing Christian study. Located in the heart of downtown Tallahassee, Trinity is The Church with "a Heart for the City." Church volunteers serve the community through Trinity's organized ministries and missions. Trinity has a long and distinguished history that dates back to 1824 when Trinity was founded as the first organized congregation in Tallahassee. Since the beginning, the congregation of Trinity has been very active in serving the community, seeking to meet the needs of all people, both in the church and in the city of Tallahassee.

It is understood at Trinity that there is more than one way to worship God. For this reason, two different types of services are offered. The music in the traditional service is accompanied by Trinity's beautiful custom built Casavant Frères Opus 3786 organ. Worship music is provided through a very active music program that includes several choirs and three handbell ensembles. At the SUN Service, however, things are a little different. Here the emphasis is on feeling the energy of God's spirit through music and fellowship. The music has a contemporary sound and the congregation is led by Trinity's own praise band, the "Circle of Friends."
