Tallahassee, Florida

Volume 34, Number 6, June/July, 2007

Trinity's Mission: We are a community of Christian disciples building pathways through which God's love is realized.

Mountain Music Sunday newest "named" Sunday

Something completely different

What first comes to your mind when you think of mountain music? How about when you think of mountain music Sunday? On

Sunday, July 8, prepare yourself for something completely new and different at Trinity. That Sunday will be the first Sunday where the music of the mountains comes to

Don't hide your light

Tentative plans for the service include utilizing dulcimer, banjo, dobro, fiddle, guitar, and whatever mountain music instruments volunteers are proficient at picking and strumming.

Music Director Mark Repasky has been gathering and recruiting local talent from within and outside the congregation of Trinity. He hopes to have a nice selection of instruments and different types of music to present on that special Sunday. If this is something in which you have talent, please

call him and let him know so you too can be a part of the service.

National talent

One of the local talents Mark Repasky has

contacted, Aaron O'Rourke, is nationally known for his superb dulcimer playing. He has even appeared on several nationally distributed CDs and has recently recorded his own CD.

He is recognized for both his

excellent playing as well as his teaching ability. He plays several instruments besides dulcimer, including mandolin, guitar, and bass guitar. He is often recruited by old-time and bluegrass festivals to teach workshops and perform. He has won many national dulcimer competitions.

Back to the Church's roots

All of the music for the congregational singing will be culled from the old *Cokesbury Worship Hymnal*. That was the hymnal used in Methodist services up until the early 1960s.

Banjos and guitars and dulcimers, oh my. The Mountain Music Sunday on July 8 will be something totally different.

Update on Moor Hall Renovation

The drapes, the paint, the carpet squares, the audio/visual equipment, the new windows, and everything else that

needs ordering is now being ordered by the contractor.

It's time to get things rolling on the Moor Hall Renovation Project! Construction is slated to begin June 18 with a tentative move back date of September 24.

Once construction begins, the SUN Service will move downstairs to the Gregory room.

Fund-raising results

The fund-raising campaign got off to a great start on Mother's Day Sunday, May 13. However, monetary gifts can still be made to honor or memorialize mothers and mother-figures.

Letter from Cuba

By John G. Willis, Jr.
Senior Pastor

You may remember that a year ago, we had a visit from Reverend Alfredo Caballero, who was the pastor of our sister church at San Pablo in Fomento, Cuba. Shortly after his return to Cuba, he unexpectedly was appointed by his Bishop to become a District Superintendent. Of course, this meant he had to leave San Pablo church.

We just received an email from him that I thought would be of interest to you.

Dear Pastor Willis and brothers and sisters of Trinity, in those days when I was a visitor in your church I will remember as the most happy of days in my life. The generosity of your people in sending much

needed medicines, clothing, and school supplies for children as well as personal gifts brought so much joy to your brothers and sisters in Fomento. Please give my regards to the youth of Trinity who listened to my message and greeted me with such affection. Even though I no longer am the pastor of San Pablo Church, (I am profoundly sorry for this) I ask you never to forget this church whose people have so much love for you.

I learned so much from you about true Christian love and charity, and every moment that I spend with you brothers and sisters will always be of great value to me and my ministry. Words cannot express my feelings. Only know that in Cuba you have a friend and brother on whom you can count.

In the love of Christ,

Alfredo

Special music Sundays for Summer

Mark Repasky
Director of Music

During the summer, while the Chancel Choir is on vacation for 6 weeks, we like to feature special music we can't offer during the rest of the year when our musicians are too busy.

Mountain Music Sunday

Mountain music and the old Cokesbury Hymnal will be featured during our **8:30 and 11:00 a.m. services on Sunday, July 8**. Our plan is to use instruments often associated with the Southern Appalachians. We are looking for experienced players on any of the following: Banjo, fiddle (bluegrass style), dulcimer, folk harp and guitar (bluegrass style). If this is your style of music, we want you to participate that morning! Contact me at the church by June 10 so we have time to put everything together. We should manage with just two rehearsals, once I know who is participating.

Men's Choir

Men's vocal ensembles are an exciting experience both for the singers and for the congregation. Each summer we feature just

difficult and male members of Trinity's Chancel Choir will also help provide leadership. Our high school guys are encouraged to join in the fun. Wouldn't it be really wonderful to have 30 of our men singing on July 15!

Orff Sunday

Orff Sunday is July 22. Once a year we throw some of our most talented adult musicians at these beautiful instruments for one rehearsal and then share the results with our congregation the following Sunday. This year, the ensemble will include a flute player and includes the tune "Hark I Hear the Harps Eternal" and the text from the hymn "For the Beauty of the Earth."

Young Women's Choir

One Sunday, last summer, we featured a young women's ensemble consisting of

Special entrance for Gregory Room SUN Service

As part of the Moor Hall Renovation Project, the SUN Service will be moving downstairs to the Gregory Room on Sunday, June 24.

In order to make a safer entry, it is being recommended that members use the outside door near the playground gate.

This is also the door that leads to the youth area and is near where the ministers and visitors park.

Your cooperation is appreciated.

Mike is an active United Methodist, a popular speaker, and Bible teacher. He and his wife Myra have two daughters and eight grandchildren.

The Florida United Methodist Children's Home was founded in 1908 as an orphanage and has developed into one of the premiere child and family service agencies in the United States. It is accredited through the Council on Accreditation and EAGLE, the highest accreditation awarded by United Methodists for its agencies.

Trinity recognizes confirmands

Fifteen youth were confirmed recently and joined the congregation of Trinity following a special communion service in the Sanctuary.

The confirmation service is a way for the class members to proclaim their faith and to show their readiness to join the church.

Classes were developed and taught by Lark and Marshall Mott-Smith. The classes prepared the confirmands to become members of the United Methodist Church. Classes consist of six different subjects that include the sacraments, worship, membership vows, and the organizational structure of the United Methodist Church.

Please join with the membership in welcoming the future of our church.

Trinity's missionary visits

Did you know Trinity has a missionary? Gordon Greathouse, along with his wife Teca, represent Trinity in a mission to Brazil and were recently at Trinity on April 29 to talk about the time they have spent there.

The Greathouses have served in Brazil for several years and live and work in Belo Horizonte, MG, Brazil.

Their emphasis is on the children of the area, using a program created by the Brazilian Methodist Church called *Shade and Fresh Water*. To participate in this program, one must offer regular

recreation, academic support, and Christian education activities. Your support of their mission is needed and very much appreciated.

On Sunday, April 29, Gordon Greathouse, center, and his wife Teca visited Trinity and gave an update on their mission to Brazil. They were hosted in Tallahassee by Trinity member Don Zorn, at far left.

Parent's night out!

Make plans now for a night out as the Trinity youth host their first "Parent's Night Out" on **Saturday, June 2**. They will be offering their babysitting services to all parents who are looking for a night out without the kids.

Babysitting will be offered to children ages 1 year through 5th grade. They will watch the children in the Gregory Room (youth area) of our church and plan to have fun activities to keep everyone busy. Hours will be 5:30 p.m. – 10:00 p.m. and services will be provided by donation.

A small snack will be provided.

Proceeds from your donations will be used for youth mission trips with 10% going to the Moor Hall Renovation Project.

Parents Night Out! This is a great way for Trinity youth to provide a helpful service to our members while raising funds to support missions and Moor Hall.

Reservations are needed by May 30. To reserve your spot, please call Kelly Rains at 222-1120 with the name and age of the child that needs our services.

Helping Each Other – what's it all about?

Rita May,
HEO coordinator

Since becoming Trinity's HEO Coordinator in April, I am aware that people frequently ask me the question "What exactly is HEO?"

HEO stands for Helping Each Other. HEO began in 1979 under the auspices of Trinity's United Methodist Women. It was organized to "maintain a network of lay persons to assist the pastors and congregation, through providing a supportive, caring ministry to members of Trinity United Methodist church and, when possible, to our community." With that vision, HEO was born! Since that time, HEO has been a vital part of ministry at Trinity. HEO utilizes lay volunteers in a ministry of care and encouragement to those who are recuperating, who are going through challenging times of transition, who are

homebound, or who have other special needs that HEO can fill.

Congregational care and well being are important ingredients of a healthy church. We all know that each of us is best able to live fully and to serve God when we are spiritually and physically strong. What exactly can HEO do to help nourish and care for us?

HEO stands ready to pull together resources when help is needed—HEO can provide a listening ear, help you find a special resource in the community, offer assistance during a time of crisis or transition, or bring a meal when you are recuperating from surgery or illness. HEO even has a small inventory of health care equipment to loan, when it is needed.

When you, or a Trinity member you know, is experiencing a challenging time, call HEO.

Helping Each Other is for us ALL.

Rita May

Coordinator, Helping Each Other

Phone: 222-1120 or Email, rmay@tumct.org

P.S. In the next edition of *Tidings*, I look forward to highlighting some of the work of Trinity's HEO volunteers. BE ON THE LOOKOUT!

New HEO logo

One of the first things Rita May asked to be done when she became HEO coordinator, was to change the HEO logo.

She felt the current logo didn't explain well enough, the mission and focus of the HEO ministry. By adding the words "Helping Each Other" and "Trinity Congregational Care Ministry" to the existing logo, the *who* and the *what* are better explained.

The HEO ministry *is* Trinity's Congregational Care Ministry and its function *is* Helping Each Other.

June and July "Change" to help worthy causes in our community

Ron Hock
Church and Society Ministry Co-Chair

June's "Change" goes to Habitat for Humanity

The recipient of the June "Change" will be Habitat for Humanity, a local non-profit organization dedicated to eliminating substandard housing and homelessness. Homeowners help with the construction of their home by contributing 400 hours of sweat equity. Trinity provides financial sponsorship and volunteer support towards the construction.

Changing a vacant lot into a beautiful home is a fine way for Trinity to show it has a "Heart for the City" and at the same time "Heal a Hurting Heart."

July's "Change" helps Neighborhood Health Services

Your Church and Society Ministry Team has selected the Neighborhood Health Services (NHS) as the recipient of the July change. NHS provides medical services free of charge, targeting the homeless and the uninsured. The clinic is staffed by medical professionals who volunteer their time.

Your small change will add up and will certainly be appreciated by this most worthy organization which not only heals physical hurts, but hurting hearts as well.
