

Trinity
United Methodist Church
2015 Member Directory

Dear Friends,

In these pages of pictures you will see members of our church family. Each one is special. Each one is unique. Each one represents a precious child of God. Each one is seeking to carry out our vision for ministry at Trinity United Methodist Church. Sitting here in the heart of downtown Tallahassee, we are called to be a beacon of light ... the light of Jesus Christ. Because we are His light, we are called to attract others as people are drawn to this light, warm those who come in, illuminate biblical truths as His light and then reach out to others as we see the light shine out into our community and world.

I know that as you look through these pages, it will reinforce your love and appreciation for our church family. We are 190 years young. We have a glorious history and a bright future to celebrate. God is good... all the time! All the time...God is good!

Always remember how much...

You are loved,

Wayne

Preschool

The Trinity Preschool experience begins at 3 months of age! Our babies receive all the love and care for a successful transition from home to school. With toddlers, movement, exploration, and enthusiasm are the focus. Fun times are found in the classroom and on the playground. For the two-year-olds, the focus shifts to the child's social environment and interactions with one another. Many new experiences occur with art and activities. The three-year-olds continue to develop their skills and classes provide opportunities for fine motor skills, name and letter recognition, and working together. When they reach pre-kindergarten class, all of their skills and foundations come together. The main focus of these classes is to prepare for Kindergarten.

Children

The curriculum Trinity uses for children's Sunday School called Grow, Proclaim, Serve (GPS), a scripture based curriculum, is designed for each age level and includes age appropriate activities created to meet the various learning styles of children. Children are given the opportunity to learn through story, drama, games, class discussion, music and crafts. Musically, Trinity truly has a world of fun in the children's choir ministry. In this ministry, the children have an opportunity to sing some fun songs and enjoy activities that compliment their music. Music theory is also taught which gives a strong background for future involvement in the church's music ministry. Each of the children's groups are given opportunities to participate in singing during worship.

Youth

Trinity's Youth Program, which is called "Catalyst," is located on the bottom floor of the church in a space called "The Underground." Since we are a downtown church, our group consists of students grades 6-12, from all over Tallahassee. We are busy with lots of different events year round and even busier during the summer.

During the school year, our regular weekly youth programs include Middle School Bible Study on Wednesday nights, Sunday morning Sunday School and Sunday night "Youth Group" which consists of dinner, worship, games and a program. We also offer a Confirmation Class each school year during the Sunday School hour for 6th grade youth to learn what it means to become a full member of the church by studying Scripture, church history and Methodist principles. In addition to all these weekly activities, we also offer monthly fellowship activities such as Mid-High Madness

and High School Late Nite that include speakers, games, parties, movies, bowling, and concerts.

Summers down in The Underground continue to be just as busy. The youth serve as volunteers for Vacation Bible School, go to summer camp, participate in Youth Week (a week filled with nightly programming and fun activities) and lead the entire worship service including the music and preaching on Youth Sunday. Each summer, the youth also have the opportunity to go on a mission trip that may go to other parts of Florida, outside the state, or even internationally.

There is no question that our youth stay very busy and in their spare time they even find time for fundraisers, retreats, fun trips and service projects, such as Crop Walk and 30 Hour Famine.

Adults

At Trinity, there are opportunities for people of all ages and life stages to become involved in the life of the church through fellowship, outreach, and continuing Christian study. Located in the heart of downtown Tallahassee, Trinity is "a Church with a Heart for the City." Church volunteers serve the community through Trinity's organized ministries and missions. Trinity has a long and distinguished history that dates back to 1824 when Trinity was founded as the first organized congregation in Tallahassee. Since the beginning, the congregation of Trinity has been very active in serving the community, seeking to meet the needs of all people, both in the church and in the city of Tallahassee.

It is understood at Trinity that there is more than one way to worship God. For this reason, two different types of services are offered. The music in the traditional service is accompanied by Trinity's beautiful custom built Casavant Freres Opus 3786 organ. Worship music is provided through a very active program that includes several choirs, steel pans, and three handbell ensembles. At the SUN Service however, worship combines current Christian music – led by our praise band "The Circle of Friends" - with fellowship and a relevant message. This service focuses on experiencing the presence of God as we worship in music, worship in the Word, and worship in service. The music is contemporary, focusing on God to whom we bring our hearts in worship.
