Dear Reverend Jack:

I have often thought of you and the church here at home but have not written to you for some unknown reason.

As you may recall, I left Tallahassee July 8 and after a short stay at Camp Blanton I was sent to the Finance Replacement Training Center here at Fort Harrison. I have gotten along pretty well I think and have to make weeks of schooling here. I am hoping that I may be assigned to some unit near home so that I may see my wife & boy some.

We get passes here either Saturday ^{night} or Sunday. I always take mine on Sunday & come in to the Methodist church here for most of the day. The people here are certainly nice to us. I know now how much the Church & the USO & Service

SERVICE MEN'S CHURCH CENTER

Clubs working together can do for men in the service and away from their homes and families.

I hope that everything in our church here at home is going well. Give my regards to the "Board of Stewards" for me - I hope I'll see you all again before very long

Sincerely

Franklin Alexander.
