

DREW FIELD  
TAMPA, FLA.

November 29, 1943.

Dear Dr. Anderson:

Just thought I'd pen out a little letter to you. I hope that you and your family are enjoying the best of health and happiness and will continued to do so indefinitely.

By the way I'd like to let you know just how much I enjoy "The Bulletin" which is sent to all the Servicemen from Tallahassee. If you know how much comfort I get from reading it and how close I am to home, you can imagine how much the boys who are stationed at such distant points as Europe, S.W. Pacific, India, etc., enjoy it even more, if possible.

I don't know if you know my cousin, Fred Thompson, Jr., or not but I'd like you to let the proper "sources" know of his address and have them send it to him. His

DREW FIELD  
TAMPA, FLA.

Address is : Lt. Ford L. Thompson, Jr.  
118th I. A. Bn.  
A.P.O. #30  
Camp Atterbury, Ind.

I sure will appreciate your doing this for I know we'll enjoy hearing of the other friends of his, for I find that is the best and most reliable source of keeping touch with them.

A good while ago I read where ~~Jasper~~ (excuse please) Major Parker said all the boys should have a get-together when this "show" is over. Well I'm in favor of same but rather not have it printed in "The Bulletin" for I don't want to use up the print. Just say "that we could have one if it was with everyone's approval." That would be sufficient.

Well I'll have to close now. Write when you get time. I'm always pleased to hear from you. Regards to all - Always, Edgar
