## TRINITY METHODIST CHURCH

Tallahassee, Florida

To Members in Service of Our Country:

From what I hear of you men, your letters from home are so appreciated that you are willing to read even mimeographed letters. I do hope that you will read this one for it is written solely in your interest.

Enclosed is a copy of a Lenten Devotional pamphlet. The few weeks before Easter are becoming more meaningful to us every year. This season, especially, our thoughts are going to be about those deeper things of life because we have run into situations where we need to understand them.

The Church is sending a copy of this same little book to your home, in the hope that together you and the members of your family may select a time and may be reading your copies of "Sanctuary" simultaneously. (Make allowance for the difference in time.)

You also have here a little card which may serve as your book mark in this little pamphlet. The message is self-explanatory. You are not making any promise to me, but to yourself and to God. Mark it up to suit yourself.

Know that Trinity Methodist Church and her pastor are interested in you at this season of the year particularly, and we are praying hopefully that before another Easter comes around your part of this war will be over and you will be back in Tallahassee and with your own people again. I am

Faithfully yours

Jack Anderson, Pastor
