Methodist Church  
Tallahassee, Florida

Dear Dr. Anderson:

I wish to thank you for sending me the church bulletins and news letters. It is certainly an excellent method by which we can more or less keep in contact with one another, and also hear of the news at home. I certainly enjoy reading them and know the other fellows do also, especially those on foreign duty.

Enclosed in your last news letter was a small New Testament, for which I am deeply grateful. The best of luck to all of you and keep up the good work.

Very truly yours,
