

FORT MCLELLAN
ALABAMA

Monday Night.

Dear Jack:

Just a note to tell you that Agnes and I met in Montgomery this week end. A few hours of heaven and then back to work-a-day living.

The Air Corps is proposing a transfer for me from Ft. McClellan to Maxwell Field at Montgomery, which would enable us to live together in Montgomery. I'm sure that your prayers for us would help us to be a little stronger and a little more patient, or even

to understand if transfer is
not approved. Won't you?

Give my most sincere
regards to your family from
one of the "single men in
barracks" who wishes he wasn't.

Sincerely yours

Bill Lee

P.S. Missing your sessions, but
the radio just won't reach.
