

HEADQUARTERS THIRD BATTALION 389TH INFANTRY
Camp Breckinridge, Kentucky

May 3, 1943.

Mr. Paul A. Fletcher,
Trinity Methodist Church,
Tallahassee, Florida.

Dear Mr. Fletcher,

I can't tell you how much I've appreciated being included on the mailing list of the "Monthly Service Bulletin". It certainly is a source of gratification to me. I enjoy to no end receiving news about Tallahassee, and particularly about the boys of Tallahassee in service.

I want to compliment you on the news-worthy manner in which it is presented. I had hoped I would be able to take a short leave to visit Tallahassee before maneuvers. However I'm afraid this is impossible.

Again allow me to express my appreciation for being included on your mailing list.

Yours very truly,

DEXTER LOWRY
Lt. Col., 389th Inf.,
Commanding.
