

Christmas - Dec. 25, 1943

Dear Brother Jack,

P.S. The Name of my B-24
(Liberator) is "Pistol Packing Mama"

What a very appropriate day for me to drop you
A Card to let you know we are thinking about
you and the sweet people of Tallahassee. How
we would love to be home this day, but to
me Christmas is always that way. I'm thankful
to even be in the U.S. After a while away, you
realize what this country is and means.

P.S. please bring my address up to
date on the Bulletin, it always
finds me about two months late.

With best wishes for the
New Year, Very Truly,
LT. Bill Mapoles
