Dear Sirs:-

It is my understanding that a local news sheet is compiled by your church and sent complimentary to Leon Co. boys in the Armed Forces. That being so I am very desirous of having my name entered on your mailing list.

This is a very commendable gesture on the part of the Methodist Church of Tallahassee. Like myself, I am sure that ^{you will} find that every Leon County soldier, sailor, and Marine away from home will be eager to receive a copy of your news sheet.

Very sincerely,

Pvt. Carl Mitchell Jr
