Dear Pastor, 11/6/44

Received your note & the Oct. 23.
Bulletin last night & indeed glad to hear
from you again & to receive the bulletin.

At this writing I am well &
feeling very good, just hope & pray to
stay that way until its all over, over
here.

I have been in France quite
some time, landed in Southern
France 3 day, this was my second
invasion the other was at Anzio,
Beachhead, Italy. The people of France
are swell & treat the Americans
fine; much finer in every respect
than the Italians.

Will have to close for this time
thanks again for the Bulletin & good
luck to you & yours. Keep up the
good work. Remember me to all.
As ever,
Roger
