March 5-1944

Dear Friends;

I hope this finds all of you in very good health and spirits. As for myself, I'm as fine as can be. I wish to thank you very sincerely for the monthly Service Bulletin, that you have been sending me. They are just the most perfect mood builders and give each and every one of us knowledge of the whereabouts of our friends from home. That means a lot to me being so far from home as I am. I hope to come home on furlough around the 1st of April and if

> So, I intend to pay you a visit
at the Church. In the Feb. 14th
issue of the bulletin, I read Mr.
Caldwells message and every word
of it, had a very clear and
spiritual understanding. what we

like him. Well Friends, I'm
not a very interesting letter writer
so I'll make this short. I wish
tho to let you know that I was
made a Staff Sgt. on Jan. 11-1944
and am now in Camp Bowie, Texs.
In closing I wish to say, God
bless each and every one of you
and thank you again for the
Wonderful Service Bulletins.

Sincerely yours
Jack Newell
