Dear Friends,

Thanks, for last two copies of the Bulletin, received here under my temporary A.P.O. number. Above you will note that I now have a different one, which will be permanent during my stay, here.

Honest, the last one was as good as getting a Sunday issue of the "Democrat" and it didn't take long enroute either...

I think England is a beautiful country in spite of what has been said about the weather here. And above all, the British people are real people.

I've heard from one of my R.A.F. friends who learned to fly in America, and I hope to visit them all.

Thanks again for the bulletin -  
Best regards to all,

Lanier
