Dear Mrs. Thompson:

I am truly thankful to be on the distribution list of the monthly Service Bulletin. It affords all of us a great pleasure to know that so many Tallahassee boys are doing so much in the prosecution of this war.

Recently, I was transferred to Headquarters, Air Service Command, Patterson Field, Ohio. And would appreciate very much your sending me the bulletin at this address instead of my old Orlando address.

You know, Mrs. Thompson, that news from home is always welcome and I know that all Tallahassians, wherever they may be, north, south, east, or west, look forward with a great deal of anxiety to see where their old friends are stationed each month.

Sincerely yours,

  
JOSEPH B. PEPPER,  
Captain, Air Corps
