My Dear Sir,

Several of the Monthly Service
Bulletins have reached me, and
I want to thank you for this
consideration.

At first I didn't recognize
many names, but in recent copies
I've found names of quite a lot
of fellows I used to know several
years ago.

Perhaps it will interest you to know
that the "Bulletin" is occasionally
read by people who never heard of
Tallahassee, Fla.

Hoping to remain on your mailing
list.

Sincerely,

Burk Sauls.
