

Shuro.

Dear Mr. Partridge,

Thanks for your letter.

I regret that I did not have chance to visit with you, but my trip was cut short.

I am now back in Fort Sill, for a short time and expect to return to Fort Jackson about middle of October. My address is now 305 7A Bn, Fort Sill, Okla and it will be 305 7A Bn Fort Jackson when we return there.

I've found the bulletin very interesting. The last copy was forwarded to me here. You are doing a swell job and one that we will all remember and appreciate. Don't let your modesty keep you from the paper. I am sure that every one would like to know who does the work.

Best wishes to you + Mrs. Partridge.

Sincerely
Paul
