

Tuesday

Dear Preacher,

I was delighted to receive a copy of the Monthly Service Bulletin. I think that it's a swell idea and ^{speaking} at one in the service, I thoroughly enjoyed it.

It's awful hard for me to keep up with all the fellows and this bulletin had lots that I did not know.

I am attending the Field Artillery School at Fort Sill. It's plenty tough but I like it.

How is your golf? Hope it's better than mine. We have Saturday afternoons off sometime, and I get in a few holes occasionally.

Mother wrote me that you would remain in Tallahassee. I am glad.

Best wishes to you and Mrs Anderson.
Sincerely,
Paul
