Dear Rev Anderson, no-1 Corsica

I am so sorry I have waited this long to write to you, but I have been very busy getting settled in this squadron that I haven't had much time for writing other than to my beloved wife and my mother & father. So I hope you will forgive me this time.

By now I imagine you have received my letter of membership to your church, and I sincerely hope you accept me as a member in fellowship to God's cause in this earthly life we serve for him here on earth.

As you see I am on the island of Corsica now, and I can truthfully say the Germans left these people in a very predicament. They can not buy absolutely nothing over here. It is the poor country I have ever seen right now. It surely must have been thriving at one time or I can't see why

anyone would want to live here.

Here is something I would like to tell you. I haven't been to Church since I have been on the island, because the ~~Chapel~~ Chapel is twenty miles away, and I can't get over there and back in such a hurry, and my day off is on Wednesdays. I do the next best thing to going thought. I read my bible, and try to tell myself as what the interpretation of it is.

Please remember me and my wife in your prayers, and all the other people who are involved in this war. Ask God to

remember all the soldiers, and there only desire to get this war over in a hurry if it is his will to do so, and also to be with our love ones, and protect them through these trying days.

I hope to hear from you soon.

Your devoted follower,

T.E. Shue
