Dear Mrs. Taylor:-

I received your card yesterday and I want to tell you that words cannot express my thanks to you not only for entertaining my son but also writing to me about it. It really is a great relief to me to know there are places like your church for my boy to spend his evenings. I'm sure he did enjoy it very much because he doesn't enjoy these taverns

that most of them spend
there evenings in.

Your name is quite a
coincidence too as Harry's
wife's name was Collins
+ his name Taylor + also
they were married Dec. 6
in the Trinity Methodist
Church in Tene Haste Iowa.

The first time Harry
left home for any length
of time he went to
Tallahassee to play ball.
He told us then, as he put
it, how swell people in
Tallahassee were. Now I'm

sure he only told us half
of it. You must be lovely
people to entertain our boys
+ then to write to us too.

I am sure such kindness
can only be repaid with
prosperity in your church
so I will close thanking
you again for your kindness
+ prayers + wishing all the
happiness + prosperity
possible

Please except this dollar
towards your entertainment
of our boys only wish I
could be there to help you.

Yours sincerely
Mrs Charlotte Taylor
