Members of monthly Ser. Bulletin:  
I have received your Monthly Bulletin regular since I came in the Arm Forces. & enjoy it very much.

I am now in the Hawaiian Islands, have been here just some time. Like it fine. The islands reminds me of Tallahassee so I feel at home. I have met lots of boys here from Fla.

I see you are using my address I had while in states. Would appreciate it very much if you would change to new address, in order to get it without delay. Sincerely
